

# Prior authorizations: support for your office

➤ Visit [www.parxsolutions.com](http://www.parxsolutions.com) to take advantage of a user-friendly, HIPAA-compliant portal to complete your prior authorizations (PAs)

## ➤ PARx® process overview

1

Your office completes and submits a PA request in the online portal

2

The PA request is checked for completeness and submitted to the health plan

3

Your office is notified of the outcome of the request

## ➤ Try PARx® PASS today!

Go to [www.parxsolutions.com](http://www.parxsolutions.com) and click “Submit a PA.”

If your practice is registered, enter your log-in credentials, or click “Continue as Guest User.”

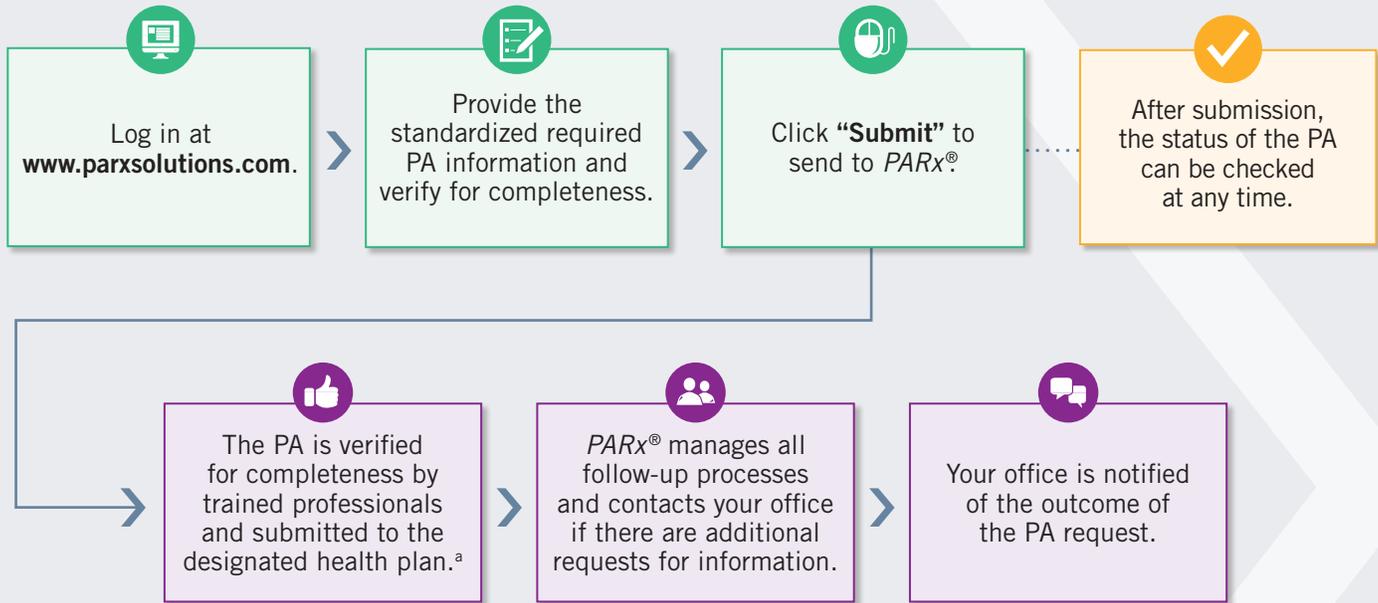

Complete the PA request.

Click “Submit” and PARx® will do the rest.

Turn over for additional information on the submission process and support offerings from Allergan, an AbbVie company! ➤➤

➤ Help patients get access to their Allergan medications with **PARx Solutions®**

● Your office ● PARx® PASS

ªNeither Allergan nor PARx Solutions® can guarantee acceptance of, request for, or payment of any claim. It is the sole responsibility of the provider to ensure the completeness and accuracy of all information used in seeking coverage or payment.
