To help save on your co-pay, ask your doctor to prescribe the largest covered bottle size.

THE MEDICATION YOU USE MATTERS

When you receive the branded medication prescribed by your doctor, you are getting:

The doctor's choice due to clinical judgement or risk-benefit profile

The same product from the same manufacturer each month

Access to patient support programs for eligible patients

Make sure you receive the correct medication with these 3 simple steps:

Ensure your pharmacist has run your insurance information

Ask your pharmacist to apply all applicable savings by visiting [savewithhays.com](https://www.savewithhays.com)

Confirm that your pharmacist has dispensed brand LUMIGAN® 0.01%, COMBIGAN®, or ALPHAGAN® 0.1%
